

Bjokovo - Mali Borovac, 1253m

"Born to Live", 7b (6b old.)

Made by the Austrians
Peter Pesendorfer + Rüdiger Hohensinner
9. and 10. December 2016 + 12. May 2017

The route begins 10m to the left of
Pezzos "Tommy, 6b" and ends right at
the summit of Mali Borovac.

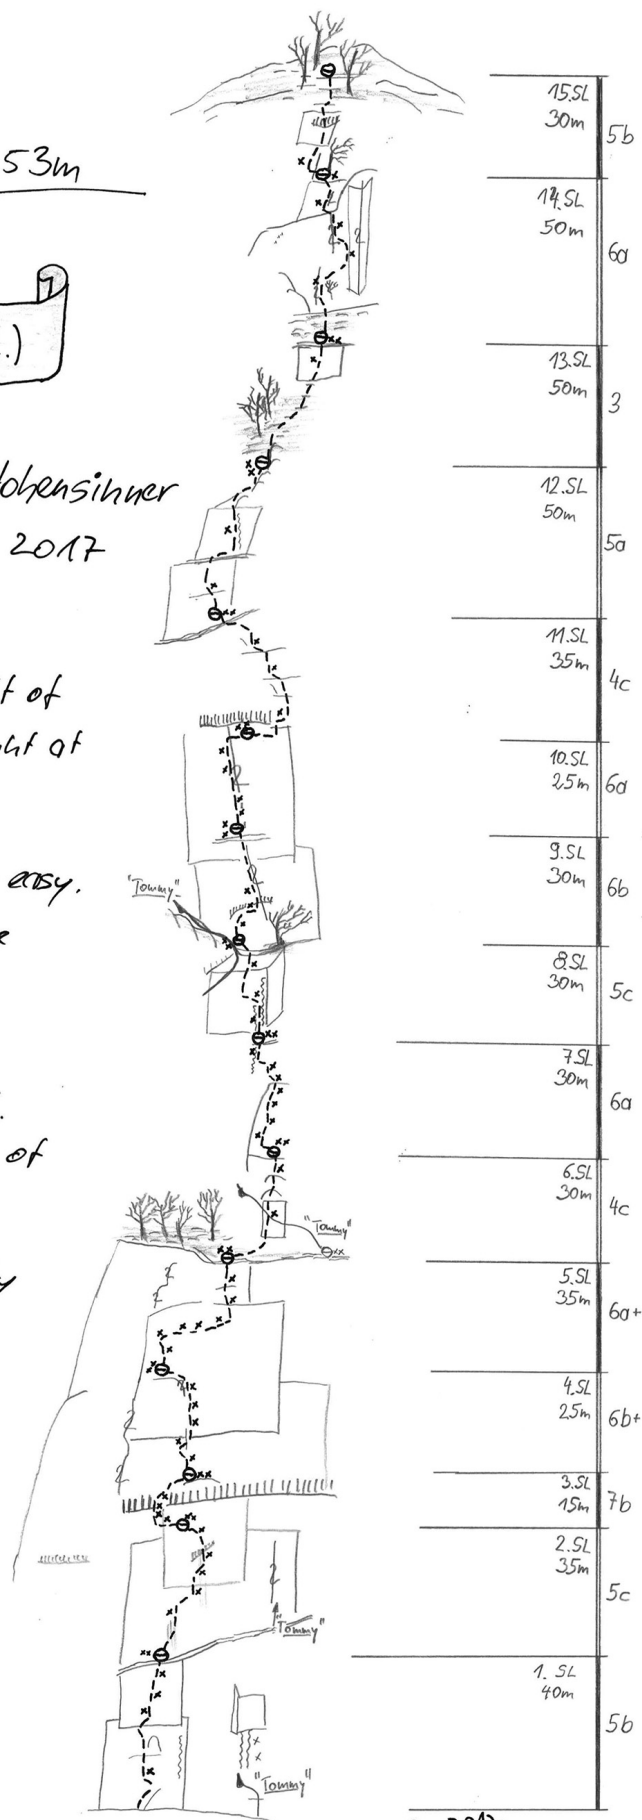

The descent from the summit is easy.
After a few minutes you reach the
hiking trail between Veliki and
Mali Borovac.

We have tried to give our best.
8runners and a small assortment of
Friends are enough.

Very elegant climbing in mostly
wonderful rock!

We wish you a nice trip!
Enjoy! Have fun!
